Murder Mystery Dinner

'Twas the Night Before Christmas

It is Christmas Eve 1987 and you are part of Smartoys staff Christmas party. This year, Fiona Smartley-Price (*Smartoy's CEO*) has extra cause to celebrate because the company have achieved having the Christmas Number 1 toy in the shops. Mouseville Friends is that toy and was the brainchild of Siobhan (*Fiona's daughter and a managing director of the company*).

She launched the new toy along with her fiancée Noel Thurst who is a television executive that has launched an animated series based on the toys. This has just completed its first series on CBBC.

Will the celebrations continue all night long or will sinister happenings halt them? Will Christmas be spoilt for many children up and down the country?
