Murder Mystery Dinner

Murder at Mistletoe Manor

Thursday 11th December

It is 1920 at Mistletoe Manor and Lord and Lady Hollyberry are holding their annual Yuletide Ball for their tenants and servants. This is an annual event and it is the highlight of the tenant's year. Lord Hollyberry has decided to build some Almshouses in memory of his son, Guy Hollyberry, who was killed at the Somme in 1916. (This was a very common thing that happened just after the war to remember the fallen of wealthy families.) Lord H has instructed Adam Goodbody to design them and appointed Sir Noel Humbug to oversee the construction. The family are present in force and they are waiting for the Land Agent Mr Bill Ivy to complete the gathering before the celebrations begin. Will the celebrations continue into the night? Or will something happen to halt them?
